

**Protects the trailer or  
container's back door  
padlock from  
tampering.**

## Heavy Duty Rear Door Lock for Trailers and Shipping Containers

This chrome plated, spring steel lock plate is designed to protect the back door padlock from tampering. The lock is secured around the locking rods with an ABLOY® padlock, making a tight fit on all trailers and containers. A cast steel block protects the padlock for maximum security from physical attack.

ABLOY 350 PADLOCK INCLUDED

### Heavy Duty Padlocks

ABLOY padlocks utilize rotating discs instead of the traditional springs and pins. This type of construction allows for reliable function in extreme environments.

### Customized Keying Solutions

Locks can be keyed alike, different or different to a master system. Keys are made of strong nickel silver to provide smooth, reliable operation with lasting durability.
